Proposal Summary: Tree Removal and Canopy Pruning

This proposal includes selective tree work to improve both the safety and aesthetics of the landscape surrounding the amenity center.

Scope of Work:

Tree Canopy Raising and Pruning

Perform canopy raise and structural pruning on the **two large trees** located along the **Birmingham Dr. frontage** of the amenity center.

Remove all **dead, dying, and hazardous limbs** to promote tree health and safety.

Pruning will be completed to improve sightlines and allow for better light penetration.
