COMMENTS

After a thorough inspection of your property, the below list of problems are things that we feel need to be addressed to ensure that your system is functioning properly. Upon approval we will have our irrigation technicians mobilized to your location to begin working through this list, bringing your irrigation up to a working level that is efficient in keeping your property looking beautiful. As some repairs begin to happen, there may be other problems that arise that were not initially visible. We will be diligent in our communications with you to make this a smooth process, while bringing your system back into working order.

This price includes material and labor for the job specifications listed above. Price includes clean up and removal of debris from the project site. Landscapes we do not maintain are not warrantied. Non-Irrigated sod and plant material are not warrantied. FINAL PAYMENT IS DUE UPON COMPLETION OF JOB.	Subtotal	\$ 615.08
	Tax	\$ 0.00
	Total	\$ 615.08

Any changes made will result in a change in price. Labor cost per hour and cost of plant material will remain as quoted. All changes must be approved and signed off on by both parties. We cannot accept responsibility for accidents or delays that are beyond our control. Owner must carry fire, flood and other necessary insurance. Landscape Management Company workers are fully covered by Workers Compensation.
NOTE: Due to the effects of the unprecedented landscape damage from the Winter Storm of February 2021 that affected much of the Midwest and Southeastern US, we are unable to guarantee plant material pricing for more than 2 weeks from the date of this proposal. We anticipate cascading price increases across large portions of the U.S. due to the extreme mortality rate at an unprecedented number of nurseries that supply much of the nation. If you choose to approve this proposal outside of the initial 2 weeks, we will review current plant pricing and re-propose as necessary.
