Subject: 2027 Annual Landscape Maintenance Budget for Anderson Residence

Dear BoB Wilson,

Thank you for the opportunity to continue serving Anderson Residence. We value the partnership we have built with your team and appreciate the trust you place in Landscapes USA to support the property.

Over the last several years, the cost to consistently service our customers has increased meaningfully across several major areas, including field labor, trucks, equipment, fuel, materials, and facility-related expenses. While we have worked hard to absorb as much of this pressure as possible, our current pricing no longer fully reflects the cost required to support your property at the level it needs.

As a result, we are updating the service pricing for the upcoming service year.

This updated service pricing includes the previously agreed to chemical treatments, and irrigation inspections stated in your contract and will allow us to continue supporting your property with the right team, equipment, and service standards. Our goal is to remain a reliable, long-term partner and to continue maintaining the property at the level you expect.

Please reach out to your Account Manager with any questions. We look forward to continuing to support Anderson Residence in the year ahead.

Sincerely,

your Account Manager
Landscapes USA
