Subject: 2027 Annual Landscape Maintenance Budget for 1115 E. Constitution Blvd

Dear Kristi Rendon,

Thank you for the opportunity to continue serving 1115 E. Constitution Blvd. We value the partnership we have built with your team and appreciate the trust you place in Landscapes USA to support the property.

Over the last several years, the cost to consistently service our customers has increased meaningfully across several major areas, including field labor, trucks, equipment, fuel, materials, and facility-related expenses. While we have worked hard to absorb as much of this pressure as possible, our current pricing no longer fully reflects the cost required to support your property at the level it needs.

As a result, we are updating the service pricing for the upcoming service year.

New Monthly Price	\$425.00 plus any applicable sales taxes
New Annual Price	\$5,100.00 plus any applicable sales taxes

This updated service pricing includes the previously agreed to chemical treatments, policing, and irrigation inspections stated in your contract and will allow us to continue supporting your property with the right team, equipment, and service standards. Our goal is to remain a reliable, long-term partner and to continue maintaining the property at the level you expect.

The attached proposals below are proposals that have been submitted in the past and for reference only.

Please reach out to Nathan W Voshall with any questions. We look forward to continuing to support 1115 E. Constitution Blvd in the year ahead.

Sincerely,

Nathan W Voshall
Landscapes USA
